# ***Introduction***

## ***Overview***

This directory contains summary profiles of childrenswear apparel companies with headquarters based in New York. The profiles appear in alphabetical order and can also be located by the page number on the Index of Childrenswear Apparel Companies found on page 78 of this document.

This directory is most useful for job seekers specifically looking for positions in the manufacturing sector of the childrenswear market of the New York fashion industry. The directory can also be used for competitive and market analysis of the childrenswear apparel industry. Most of the records are companies based in Manhattan. We have included, however, a selection of important companies that are based outside of Manhattan, but within the other boroughs of New York City (Brooklyn, Queens, The Bronx and Staten Island).

## ***About the Company Profiles***

Each profile heading contains the following information: company name, corporate headquarters' address, phone number, fax number and website address. The body of each profile contains two sections: Company Background and Résumé Submission Options. Company Background features subsections including Additional Office(s), Parent Company, Year Established, Product Categories Brands/Labels and Job Listings. Résumé Submission Options features four subsections, including Online, Email with Direct and/or General Contact and Mail. The following fields are listed in blue font as they are hyperlinked: website address, job listings, online, general contact email address and direct contact email address. This enables you to either directly
